Description

Conveniently located on the last fraction of the oceanfront land in Marina Vallarta, Marina Towers is designed to offer efficient and well planned condominiums.

Comprised of three towers with 25 levels, each one containing 130 one to four bedroom units ranging in size from 1,172.83 to 3,161.46 square feet, the development offers amenities and activities designed to satisfy the lifestyle of the most demanding homeowners.

With modern and functional architecture, Marina Towers is being built to the highest standards, paying meticulous attention to every single detail in order to become the most spectacular and exclusive beachfront development in Vallarta and Nayarit.

The inclusion of a variety of luxury amenities, cutting edge, waterfront services and infrastructure, as well as new technologies and interior designs that invite you to live a unique lifestyle, are just some of the elements that Marina Towers brings together.
